

## How These Guides Align to Your Three Core Programs

Our comprehensive guides are strategically designed to support and strengthen the three pillars of our foundation's mission, ensuring a holistic approach to building resilient communities.

### Community Preparedness & Safety Education

These guides equip individuals and groups with essential knowledge and skills:

**Family Emergency Preparedness Guide**

**Youth Preparedness and Safety Guide**

**Community and Organization Preparedness Guide**

### Emergency Supply & Safety Equipment Support

These guides focus on practical resources for immediate response:

**Emergency Supply Kit Guide**

**Fire Safety Equipment Guide**

### Senior & Vulnerable Population Safety Initiative

These guides address the specific needs of our most vulnerable populations:

**Senior Safety and Preparedness Guide**

**Severe Weather and Disaster Readiness Guide**
