

Community and Organization Preparedness Guide

Churches, schools, nonprofits, and community centers are vital hubs that protect the public during emergencies. This guide helps these organizations develop comprehensive safety plans, assign clear responsibilities, and improve overall emergency readiness to safeguard everyone in their care.

Topics Covered

1

Emergency Response Plans

Develop detailed plans for various emergency scenarios, ensuring coordinated and effective action.

2

Safety Roles & Responsibilities

Clearly define and assign critical roles, ensuring accountability and efficient task execution during a crisis.

3

Emergency Communications

Establish protocols for timely and accurate information dissemination to staff, volunteers, and visitors.

4

Evacuation & Shelter Planning

Outline safe evacuation routes and identify secure shelter locations for all occupants.

5

Staff & Volunteer Training

Implement training programs to equip personnel with essential safety and response skills.

6

Local Emergency Coordination

Strategies for effective collaboration with local emergency services and first responders.
